

**2 спальная комната Деревенский Дом продается в Alcala la Real, Jaén**  
**37.000€**

This is a lovely village house that has a superb terrace with great views. It is located in the small village of Charilla just 6km from the town of Alcala la Real and would be ideal as a holiday home and for renting, but also perfect for a young family.

It offers 2 double bedrooms, full bathroom, kitchen and a great sitting room with its own log burner. The roof terrace is sizeable too, with 360 degree views. The property is being sold with all the furniture too, so for the price, its a real bargain.

Charilla has a population of around 440 residents and has bars and shops. More amenities can be found in the nearby town of Alcala la Real which is a popular large historical town in Jaen and boasts its famous La Mota Castle, a large hospital, many Museums and public parks, good choice of bars, restaurants and supermarkets and attracts tourists from all over Europe.
