

3 спальная комната городская тюрьма продается в Santiago de la Ribera, Murcia

405.000€

Fantastic project of townhouses in an exclusive location 100 meters from the beach in Santiago de la Ribera. This project is a complex of 11 townhouses, with private pool, terrace areas and large solarium in each property. Each property has 3 bedrooms and 3 full bathrooms and have been designed with a contemporary style and an open plan living concept, which consists of a fitted kitchen and a living-dining room. This project is perfectly located as it is only a few minutes walk from the Dos Mares shopping center and many other stores, bars, restaurants and the beautiful beaches of the Mar Menor. Santiago de la Ribera is a coastal town that belongs administratively to the municipality of San Javier. It has 4 km of beaches, which are a great attraction for tourists from different countries. The airport of Murcia is 30 minutes away by car and the airport of Alicante is one hour away by car. Please contact us for more information, or join one of our no-obligation tours to visit this wonderful project.
