

3 спальная комната Деревенский Дом продается в Marchena, Sevilla 210.000€

This quality 261m² build, easy living, one level property is situated on an urbanisation just a short 5 minute drive from the town of Marchena and 10 minutes from the town of Puebla de Cazalla. The property has a gated entrance which leads in to a private garden and patio area within your productive 3,236m² of land. The outside offers a beautifully established orchard consisting of orange trees, lemon trees and of course olives and continues to a large garage for storage or parking and a separate carport to keep your vehicles out of the sun. The gardens continue to wrap around the property with areas to dine and relax and a stunning private pool to the rear which is fenced giving security with children in mind. Once inside the central hall leads to three double bedrooms and a newly installed shower room on the right and on the left a good size lounge diner with open fireplace and on to a well fitted kitchen with plenty of storage and workspace that spills out on to the rear patio with blinds for extra shade in those hot summer months.
