69.995€

Land with planning permission and caravan. We are proud to offer this building plot with planning permission and plans, mains drinking water, electricity and a storage container and static caravan for sale.

The planning was issued in 2017, so this will need to be updated, but the architect and town hall have both agreed that the plans can continue as is, or, if you wish, you can change the plans to suit your own needs

The land is just over 14,000 m², so there is plenty of space to add further outbuildings, or to make the property larger if you require.

The plot is around 10 mins walk from the town, with amazing views of the area.
