

Деревенский Дом продается в Jumilla, Murcia

89.995€

Parcel with ruins in La Carche, Jumilla. We are proud to offer for sale this lovely partial cave house/ruin with 2 caves.

The house is 250m² and the parcel is 360,000m² - yes, 360,000 / 89 acres! But please be aware that the zone is protected, so you wouldn't be able to do much with the land, other than maintain it, grow crops etc (there are currently olives and almonds on the land).

Please be aware there is no water or electricity at the house (there is a well, but this isn't tested).
