

## 2 спальная комната Деревенский Дом продается в Campotejar, Granada 120.000€

This rural level plot of 9,631m<sup>2</sup> with a 2 bedroom 161m<sup>2</sup> build Chalet style detached property is located near the beautiful and tranquil town of Campotejar in the Granada province of Andalusia, Spain, close to the historical and beautiful cities of Granada and Jaen and near to the main road that connects the two cities. The detached one level building with a large garage has recently been renovated with new floor tiling throughout. You enter the easy living Chalet style property into a spacious open plan lounge / diner with a fitted kitchen at one end off which is a tiled laundry / utility room. Also off the open plan space are 2 large double bedrooms, on of which also has direct access into the bright shower room. To the left is access into the large internal garage that also includes the quality tiling and a feature fireplace which makes for this area to become a great entertainment space. The property has electricity connected and well water.
