

2 спальная комната городская тюрьма продается в Fuensanta de Martos, Jaén

65.000€

Ready to move into, this very nicely presented, fully furnished, spacious 246m² build property is on the outskirts, yet close to the town of Fuensanta de Martos in Jaen province of Andalusia, Spain. It has the advantage of high elevation which gives us those amazing views of the countryside and mountains. Enter the house from a quite side street into the well equipped kitchen with stairs to the first floor on the left where there are two bedrooms, one with ensuite bathroom. From the kitchen there is access to the dining room with a bathroom on the left and further on is the light and airy sitting room with picture windows and access to the terrace overlooking the garden and again with those stunning views. On the right side of the house and below it, is the garage, for a small car, or use as a workshop, then through to a store room at the back. On the right is a toilet and sink then the back door opens onto a metal staircase which goes down to the good size, well kept garden with a circular concrete base for a pool or jacuzzi. A lovely house, with a generous 275m² plot in a quiet area.
