### ESTEPONA ... beachfront 3 Bedroom apartment

Brand-new 3 bedroom apartment in a contemporary complex of almost 10,000 built m2 in a unique beachfront plot of 12,000 m2, comprising 68 exclusive apartments and penthouses and 2 magnificent villas built to the highest qualities and finishes. The complex offers large landscaped areas and swimming pools. The buildings have a minimalist design with delicately drawn curves. In addition, the project comprise a spa area and gym. And finally, there will not be any vehicles moving on the surface, always underground, so that the outer spaces are, indeed, for people. Magnificent views of sunrise and sunset from the terraces all year round.
