

## 8 спальная комната вилла продается в Benissa, Alicante

550.000€

Villa with 4 apartments for sale in Benissa Costa, ideal if you want to generate an income from your home. The villa offers a beautiful panoramic view of the wide surroundings and is only 2 km from the beach of Baladrar. The villa can be reached through 2 separate entrances, one above the house and one below the house. Each of the entrances has parking spaces, this allows the upper 2 apartments to be reached without disturbing the residents of the lower apartments. The apartments have a fully equipped kitchen, dining room, lounge and 2 double bedrooms, a family bathroom and a private terrace. Currently the first and second apartment are connected by an internal staircase, but this can be removed again so that there are again 4 separate apartments. Outside there is a swimming pool with sun terrace, a BBQ area, an outdoor kitchen and parking space for 5 cars.
