

2 спальная комната Деревенский Дом продается в Mondujar, Granada 100.000€

Part of our exclusive collection we invite you to explore Finca Solana a tranquil mountain building with breathtaking views.

Nestled amidst the serene countryside, this charming property offers a harmonious blend of rustic simplicity and natural beauty. With 17,000 square meters of land, it provides ample space for exploration, relaxation, and perhaps even a small hobby farm.

Built south facing against the mountainside, the property enjoys a privileged position in a secluded valley. The surrounding landscape is a symphony of rolling hills, lush forests, and distant peaks.

With two bedrooms, each face the panoramic vistas, Imagine waking up to the soft glow of dawn illuminating the valley below.

The open plan living and kitchen area are the heart of the home, featuring a stone fireplace and farmhouse charm, they welcome you after a long day to escape and unwind in the coolness of the room.

A simple yet functional bathroom offers modern amenities while maintaining the rustic ambiance.

Outside in front of the building you can step onto the veranda, where you can sip your morning coffee while listening to birdsong. The crisp mountain air invigorates the senses.

The expansive land invites you to cultivate your own vegetables, herbs, and flowers. Imagine harvesting fresh produce for your meals.

If exploration and walking is your thing you have over 17000sqm of your own land to enjoy, imagine wandering through wildflower meadows, follow meandering paths, and discover hidden nooks where you can sit and soak in the awe-inspiring views.
