

3 спальная комната Деревенский Дом продается в La Carrasca, Jaén 75.000€

Here we have a Chalet style, easy living, property as all the main living space is on the ground floor but it also has a basement room and store room downstairs and a roof terrace with spectacular countryside and mountain views. New, immaculate and spacious with an open plan kitchen, diner and lounge. Being near the reservoir could make it a very nice holiday home, or with three bedrooms and a possible fourth downstairs, a permanent home. Enter from the main street into the entrance hall with the door to kitchen, diner, lounge area on the right. Then two bedrooms on the left and further on a bedroom on the right with bathroom at the end. From the kitchen there is access via stairs to the roof terrace and stairs also down to the basement where there is another kitchen, a store room and covered area used as a garage, patio with a garage door opening onto the street at the side and another bathroom. A lovely property and very well maintained and ready to move into.
