Stunning 3-Bedroom Home with Large Indoor Stable Block & Equestrian Facilities

We are delighted to present this charming 3-bedroom home, complete with an exceptional 200m² indoor stable block, ideal for equestrian enthusiasts. Currently configured to accommodate up to 4 horses, the stable can easily be adapted to house more if needed.

Inside, the home boasts a spacious and welcoming open-plan living area, perfect for family gatherings and relaxation. The well-equipped kitchen offers plenty of space for culinary creativity, while the entry corridor provides a seamless flow throughout the house. The master bathroom serves as a tranquil retreat, and the three generous bedrooms include a master with an en-suite for added privacy and convenience. The property also benefits from a usable loft space, providing additional storage or potential for expansion.

Equestrian Facilities & Land

Set on 8,000m² of fully fenced and gated land, the property offers privacy and security, with dual road access, making it ideal for livery services or similar ventures—clients won't need to pass the house. The expansive indoor stable block is thoughtfully designed to keep everything undercover, with ample space for training horses in a large designated area. The stables are currently arranged for 4 horses, but due to the generous size of each unit, the space can easily be adapted to accommodate 6 or more.
