

2 спальная комната квартира продается в Estepona, Málaga

480.000€

New modern development of 51 apartments and penthouses with 2, 3 and 4 bedrooms with garage and storage room and features modern architecture with unobstructed views, large terraces and penthouses with solariums.

If you are looking for a brand new home that blends peacefulness with the most comprehensive services, this is the development for you.

This 47-flat development in Estepona has been conceived as an exclusive residential complex that will meet all your needs and will enable you to enjoy enviable views of the Mediterranean.

A different home for every type of family In a magnificent setting, swathed in the scent of the sea, offers 2-, 3- and 4-bedroom dwellings to satisfy all your spatial requirements. Furthermore, each home includes a garage, storage room and attic with solarium and pergola. The tiered structure of the building means that all the flats have a spacious, 70 sqm (753 sq ft) open-air terrace, which gives residents the feeling of living in a penthouse.

Deliberately oriented to take utmost advantage of the hours of sunlight, all the rooms are characterised by their warm, comfortable atmosphere.

Open kitchens and spacious lounges, 70 sqm (753 sq ft) terraces to enjoy the open air, avant-garde lines and contemporary design... this is a residential complex where Mediterranean tradition lives side by side with the most cosmopolitan modernity.

Also offers landscaped areas, a solarium, a pool for adults and children and gymnasium for when you feel like giving
