

2 спальная комната вилла продается в Pizarra, Málaga

489.000€

Pretty Detached Country Villa located in between Pizarra and Alora.

As soon as you enter the gate you are wowed by the most incredible views across the valley towards the mountains where there is a statue of the Sagrado Corazón de Jesús "El Santo"

There is a spacious garage with double doors plus parking for many cars on the driveway.

The house benefits from a covered terrace to take in the views, space to sit in the morning with a coffee and relax. The main entrance opens into the house from the terrace into the lounge, where 2 large ceiling fans do a great job of keeping the room cool plus there is air conditioning hot and cold and a wood burning fire with a space to cook at the top. There are also patio doors off the lounge to the terrace and a back door leading onto a shady area at the rear of the house to sit.

The kitchen is just off the lounge and is fully fitted; electric oven, hob plus dishwasher are included.

There are two bedrooms and two bathrooms; the master bedroom has en-suite and air conditioning hot and cold. Both bedrooms also have fitted wardrobes.

Going back outside we find the swimming pool and a storage room, the gardens are well maintained with different areas of planting that opens out onto a large flat area of lawn.

The plot is gated and fully fenced, on the plot there are citrus, olive, mango, pear, and fig trees.

The property benefits from mains electricity, community water for the house plus irrigation water.
