Pinoso is the 5th richest town in Spain (per capita). Its wealth comes from salt and marble deposits and the farming of almonds, olives and grapes, the latter producing highly rated wines available to buy at very low prices in the many local bodegas where you can also get the fantastic locally produced olive oil. The wealth of the town is reflected in the quality of local services, first class amenities and the surprisingly low taxes paid by local people. The amenities include a modern medical centre; sports centre; swimming pool; football ground; theatre; four schools, four super markets and excellent restaurants, bars and street cafes. For those who prefer gentler pursuits, a short distance from the town, in the hills, the authorities have provided a beautiful picnic area among the pines, complete with barbecues, seating areas and running water. There is also a lively indoor market held twice a week and on Saturdays the addition of a street market brings people in from the surrounding villages to buy their produce making the market square a hive of social activity. Fiestas are abound from May to September in the surrounding villages and small towns, with Pinoso's own main fiesta being held every year from the 1st to 10th of August - an event not to be missed. For 10 days, people come from miles around to enjoy the festivities, watch the parades and dance until dawn.
