

3 спальная комната вилла продается в Ciudad Quesada, Alicante

365.000€

Sitting on a generous 750m² corner plot, this large detached villa offers the perfect blend of space, privacy, and potential. Boasting 3 spacious bedrooms and 3 bathrooms, (two of which are ensuite), this property is ideal for families or buyers seeking a peaceful retreat within easy reach of top amenities and the coast. With 172m² of built space, the villa features an open-plan layout enhanced by a fully fitted American-style kitchen. The bright and airy living areas flow seamlessly onto a private terrace, perfect for entertaining or enjoying serene garden and golf course views.

Step outside to enjoy a private pool, landscaped gardens, and your very own roof terrace and private solarium, offering panoramic vistas of the surrounding greenery. This northwest-facing home enjoys a tranquil setting with mains water, fibre optic connectivity, and ample storage space, including an underbuild. Practical features include off-road private parking, unfurnished interiors ready for your personal touch, and the potential for enhancement – the property requires renovation, making it a fantastic opportunity for customization.
