LOCATED CENTRALLY IN THE PREETY VILLAGE OF ZAMBRA CLOSE TO RUTE AND LUCENA WITH EASY ACCESS TO THE A45 DOWN TO MALAGA, CORDOBA AND SEVILLE THIS TRADITIONAL VILLAGE HOUSE IS NEED OF SOME UPDATING HOWEVER NOTHING MAJOR AND HAS GREAT OUTSIDE SPACE.

There is a vestibule entrance leading into a sitting room to the right there is then a second sitting/dining room. To the rear there is then a good sized kitchen with wooden units, a fireplace and seating area. Off the kitchen there is then a double bedroom with a rear facing window. A door leads out to a large covered and tiled patio area with a shower room off it with a wc, sink and walk in shower. In this area there is also a single bedroom. From the patio there is then a door out to a second patio which is open and has a large grape vine and a fig tree, this is a good sized area and very private and could easily fit a small pool. Stairs in the sitting room then lead up to the first floor of the property. Immediately at the top of the stairs is a front facing double bedroom. There is then a hallway which leads down to a second front facing double bedroom. There is then a rear facing double bedroom with views out to the olive field hills. At the very end of the hallway there is then another room currently used for storage with rear views.

This is a good solid property in need of a little updating in a great location with good outside space no major works needed
