Fabulous 3-Bedroom Villa with Pool & Orchard in Salinas

This property offers the perfect balance of peace and convenience: a countryside villa with stunning panoramic views, just a 10-minute walk from the town, with excellent tarmac road access right to the gate.

The remote-controlled entrance gate opens onto beautifully kept, low-maintenance gardens and reveals the villa's large covered terrace. There is plenty of shaded parking beneath mature trees, and from the moment you step out of the car, the spectacular views and lush greenery will capture your attention.

Set on approximately 3,000m² of fully fenced land, the property offers complete privacy. To the left, the orchard—planted with productive olive trees—produces a generous yield. The current owner is even happy to continue maintaining it and share the harvest, ensuring you'll have your own supply of olive oil for years to come.

Behind the villa sits a private 9x5m swimming pool with a safety fence and cover, making it ideal for families with children or pets. Outbuildings include kennels, sheds, and a barbecue area. The owner has also kept chickens, birds, and dogs here—perfect for those who dream of fresh eggs and a touch of country living.

Another fenced plot has been used as a vegetable garden and still holds a variety of fruit trees, offering the opportunity for complete homegrown living.

The villa itself is entered via a charming covered terrace, a peaceful spot with mountain views on both sides. Inside, the spacious open-plan lounge, dining, and kitchen area benefits from a newly installed air-conditioning unit and a feature log-burning fireplace, creating comfort in both summer and winter. The kitchen also leads to a walk-in pantry.
