

3 спальная комната городская тюрьма продается в Lloseta, Mallorca

455.000€

A house in Lloseta for sale in the upper part of the village with open views of the village and countryside. The house has two independent living spaces connected by a courtyard of 45m². Which offers options for a multigenerational family or income from a rental. The first part of the house which has a larger entrance hall, has two double bedrooms, a bright living-dining room, a complete bathroom, and a kitchen with a small dining area and access to the courtyard. There is the possibility of converting one of the bedrooms into a garage. Accessed from the courtyard is the second living space, which has a double bedroom with a dressing room, and complete bathroom. A large living-dining room, and a separate kitchen. This part also includes a storage room and a barbecue area. Above there is a 50m² roof terrace, this area could be transformed into an independent apartment. The property is located in a quiet but well connected area of the village, above the theatre with easy access to supermarkets, public transport, schools, and other essential services. Lloseta Mallorca. Situated in the hills above the central plain of Mallorca. Lloseta is a small community which was the focus of the charcoal and coal mining industries of Mallorca. In recent years its focus is tourism, popular with cyclists and mountain walkers.
