Charming Village House with Two Patios in the Heart of Pinoso

This village house is spread over two floors and offers two private patios. It is situated on a quiet street in the centre of Pinoso, with all amenities within walking distance.

This property is exclusively for sale with Ikzoekeenhuisinspanje.nl. This means it is only available through us and that all documents have been checked in advance and are either in order or can be made so.

The House – Ground Floor

On the ground floor you will find a bedroom, a sitting area, a hallway with the staircase to the upper floor, and a dining room that leads to the kitchen (with storage under the stairs), the bathroom and the patio. The patio is an ideal place to create, for example, an outdoor kitchen – the perfect spot for cosy evenings with local wine and tapas.

The House – First Floor

Upstairs there are two bedrooms, one with a built-in wardrobe. This bedroom connects to a multifunctional room (ideal as a dressing room or for extra storage) and further leads to the second patio.
