

6 спальная комната вилла продается в Marbella, Málaga

6.500.000€

Guadalmina 720 is a striking modern villa offering refined luxury and exceptional space in the prestigious Guadalmina Alta area of Marbella. Set on a private 1,640 m² plot, this 6-bedroom, 7+2-bathroom residence spans over 1,000 m² of sophisticated living space, blending bold contemporary architecture with warm, functional design.

The main floor is centered around a bright open-plan living and dining area with floor-to-ceiling glass doors that seamlessly connect the interior to expansive terraces and a stunning private pool. A designer kitchen with premium appliances and double-height ceilings enhances the home's modern elegance, creating the perfect setting for both relaxed family living and stylish entertaining.

The villa offers six spacious bedrooms, including a luxurious primary suite with a walk-in wardrobe and spa-style en-suite bathroom. Additional highlights include a dedicated home office and an entertainment level featuring a private gym, cinema room, and leisure space—ideal for modern lifestyles.

Outdoors, manicured gardens, shaded lounges, and sun-drenched terraces invite year-round enjoyment. With secure gated access, ample parking, and integrated smart-home systems for lighting and climate control, Guadalmina 720 delivers the ultimate blend of comfort, sophistication, and convenience.

A true contemporary masterpiece, perfectly positioned in one of Marbella's most sought-after residential neighborhoods.
