Bright 2Bedroom Apartment with big terrace

This charming and sunny apartment is located just 2 minutes' walk from the train station and town centre, and only 5 minutes from Sant Sebastià Beach. You will be able to walk or bike everywhere.

The property offers:

2 bedrooms – one double and one single, both with builtin wardrobes
Full bathroom with a recently renovated shower
Semiopen kitchen connected to the living room
Spacious southfacing living room leading to our favorite part, the big and sunny terrace offering partial views of the sea and the Sitges church bell tower. Wait and see the fireworks from here!
the terrace has awnings (you will love them in summer) and every room comes with ceiling fans
air conditioning splits are present in the living room and master bedroom
A section of the terrace is enclosed with a glass and aluminium structure: you could use it as a home office or laundry area, or art lab, etc etc.

Additional features:

Located in a wellmaintained building (built in 2001)
Elevator in the building
Only two apartments per floor, ensuring privacy and tranquillity

A perfect home for those looking to live close to everything Sitges has to offer—beach, transport, and the vibrant town centre, without being trapped in the touristic area.
