It is possible that finishes shown on the 3D renderings are only used as an example and not included in the advertised price. They can be added at an additional cost to match the examples. Ask for the building specifications that are included. Keep in mind that our prices are subject to the strongly fluctuating cost prices of the building materials. You can adjust the plans according to your wishes and receive a personalised quotation.

This price doesn't include a plot. We can assist with finding the right plot for you. - The price advertised is the starting price of this new build project. Prices of properties in this project will depend on for instance size, bedrooms and level. Ask for current availability. -
