

2 спальная комната Деревенский Дом продается в Castillo de Locubin, Jaén

170.000€

This 278m² build 2 to 4 bedroom cortijo with a pool and a generous 1,783m² plot is situated on the outskirts of Ventas Del Carrizal, in the south of Jaen province in Andalusia, Spain. A large gated entrance leads first to a private driveway and to a big garage and storage space. Passing an outbuilding with a toilet / wash room you have a wonderful entertainment area with a large covered terrace and your great size private swimming pool. A small number of steps, to the left of the pool area lead down to a private garden and productive growing patch with irrigation and you have a large storage space located under the terrace. You enter the cortijo from the poolside patio into a good size lounge off which, to the right is a spacious kitchen diner with a feature fireplace. You also have a ground floor bedroom to the right of the lounge. A small number of steps from rear of the lounge lead up to a bright bedroom with an ante room. A large step ladder in the lounge takes you to the first floor where you have 2 spacious rooms which would provide for 2 further double bedrooms. To the left of the lounge you have a fully tiled shower room as well as a few steps that lead into your spacious garage. This is a lot of property with great outside spaces and far-reaching countryside views. On the market for 170,000 euros.
