425.000€

Very attractive traditional cortijo which has been professionally refurbished in recent years. The property offers a 4 bedroom, 3 bathroom, two storey main house plus two self-contained cottages all built around a traditional Andalusian courtyard.

One enters the main house through a welcoming hallway. Off to the left there is a very spacious kitchen/dining room which enjoys morning sun and allows direct access out to the BBQ area. Off to the right from the entrance hall there is a spacious lounge which hosts a fireplace with coal effect gas fire. A large pantry and a store-room complete the accommodation on the ground floor of the main house.

An attractive staircase leads to the upper level which offers a large landing currently used as an office area, a master bedroom and 3 further bedrooms plus a family bathroom. The two guest cottages each offer an open plan living room/kitchen/diner, 2 double bedrooms and a bathroom. The land extends to 7.000 m². There is a formal garden area around the house which hosts a quality built swimming pool and the rest of the land is planted out with various fruit trees. This property has a private water supply from a fully licensed 75 m deep bore hole and mains electricity. It also benefits from gas central heating.

This property enjoys a secluded location and yet is less than 15 minutes from Pizarra pueblo which offers many amenities and enjoys the benefit of a town station with a regular service to Malaga city, international airport and along the coast as far as Fuengirola.
