

3 sovrum Radhus till salu i Fuensanta de Martos, Jaén

45.000€

This furnished, character property is just outside the town of Fuensanta de Martos in Jaen province. There is a lane leading up to several houses with parking right in front of the door. Enter the front door and you are greeted by a kitchen / diner which features an original fireplace with a wood burner. Off the kitchen to the left there is a toilet, then you come to a good sized lounge with a door leading out onto a pretty, enclosed patio. If you love the sun then you are going to love this outside space for relaxing and pottering. Great for barbecues and enjoying the Spanish weather. There's a good sized workshop off the patio. Traditional Spanish stairs lead to the first floor where you have a large family bathroom, along with a great sized double bedroom with a large built in wardrobe. A window seat gives you great views over the countryside. On this floor is a smaller single bedroom or if needed, a study. Off the landing you then have stairs leading up to the second floor where you have a huge master bedroom along with its own en-suite, it could be split into two smaller rooms if needed. This property really is worth seeing and perfect for a holiday home, it needs painting inside and out (and we have a quote for that) but otherwise it is ready to move into.
