

5 sovrum Radhus till salu i Pruna, Sevilla

89.000€

Located in the town of Pruna in the province of Seville, Andalusia, Spain, close to local amenities and just a short 10 minute drive from the historical town of Olvera. This 5 bedroom, 4 bathroom, large family home has so many possibilities. The current owners started a lot of renovation and had many plans so the property has a lot of building materials which will be included in the sale of the property. The main house is accessed through a typical entrance hall and continues to a large reception room with fireplace and ground floor bedroom on the left. Ground floor continues to a spacious lounge diner and a well fitted kitchen that has plenty of storage space and room to sit and dine. The kitchen opens to an external toilet and storage room. The lounge has access to an internal courtyard and a full family bathroom. On the first floor there are 4 bedrooms, the master bedroom has materials for an en-suite bathroom and access to a beautiful terrace which looks out across the town and mountains beyond. This floor also opens to a rear terrace with storage room. At the rear of this property is a completely separate entrance which opens in to a two storey building which needs finishing but would make a completely independent apartment ideal for guest or as a rental income. So many possibilities must be seen !
