

1 soverom Leilighet til salgs i Monóvar, Alicante

34.000€

The commercial space on a ground floor to be renovated could have space and possibilities to house a dwelling. If you like it as a local perfect but as an investment it can be very interesting (subject to authorization from the Administration). You would be in a central area in a building with lots of charm and many possibilities for renovation. Currently has all services and sufficient power supply. If you think you can invest updating this part of a stately home, rents do not go below 400 euros per month.
