

5 sovrum Radhus till salu i Caudete, Albacete

34.000€

This property offers 144m² of living space, accompanied by a 5m² courtyard. Spanning three floors, it has the potential to be an exceptional living space with the right care and attention. It boasts four bedrooms and features a fireplace and a loft.

To fully unleash its potential, the property requires a comprehensive renovation, including the complete gutting of each floor, offering a blank canvas for customization. Comparable renovations on the same street have resulted in impressive outcomes, highlighting the possibilities for this property.

Reconnecting the water and electricity services is necessary to restore functionality to the property. Situated on a fantastic street, it enjoys proximity to local amenities, making it convenient for everyday needs. For a more immersive experience and additional information, please refer to the 360° virtual tour.

Caudete, located in the province of Albacete, offers a range of attractions and activities for visitors to enjoy. Here is a detailed description of some of the highlights:

Caudete Castle: One of the most prominent landmarks in the town is the Caudete Castle, a well-preserved fortress dating back to the 12th century. Visitors can explore its medieval architecture, walk along its walls, and enjoy panoramic views of the surrounding area.

Museo de la Fundación Antonio Poveda: This museum showcases the life and work of Antonio Poveda, a renowned Spanish painter. It houses a collection of his artworks, providing insight into his artistic evolution and contributions to the art world.
