There are two international airports within reach, with Manises located 150 km away and Altea less than 60 km away. Altea offers a range of amenities and services, including shops, restaurants, banks, pharmacies, and more. The picturesque old town sits atop the city, while the coastline stretches for 8 km and features magnificent beaches with fine sand and crystal-clear waters. The rugged Sierra de Bernia provides a stunning backdrop, and there are hidden coves to explore, such as Ronda and Cap Blanc in the urban center, as well as L'Olla, Cap Negret, Albir, and Mascarat. The property also benefits from its convenient location, allowing quick access to the national highway N-332, which facilitates travel and connectivity to nearby areas.

While the villa may require some updates, its size, gardens, and location in the beautiful Altea hills area offer tremendous potential for creating a unique and desirable living space on the Northern Costa Blanca.
