

3 sovrum Övrig till salu i Santa Pola, Alicante

230.000€

Apartments 100 meters from the beach of Santa Pola. This complex consists of three blocks with a total of 95 homes. On floors 1 to 4 there are homes with two and three bedrooms.

The houses on the fifth floor have a private solarium with independent access from the house.

The garden has landscaped areas with palm trees and other vegetation, all of which are illuminated.

A heat pump provides you with hot water, with a water storage tank on the roof.

To increase their energy efficiency, the homes have a photovoltaic panel with a microinverter.

Each block has two elevators for six people,

Each residence has a parking space closest to its block, on the common ground of the complex.
