

Landa till salu i Fuente Piedra, Málaga

83.000€

This is an opportunity to purchase 4 separate parcels of land, totalling 27,062m², all within close proximity of each other and just a short five minute drive from the town of Fuente de Piedra. All 4 plots have good access with a good track that runs along the side of the A92. 3 of the plots consist solely of olives and have all mature established trees, the forth plot is fenced and the previous owner had thought about constructing a nave for machinery. These plots are all owned by one family and bring in a good yearly revenue.
