Located in the quiet village of Ventas del Carrizal and only 5 minutes away from the town of Castillo de Locubin, a real bargain and great opportunity to buy a property to improve, it has planning in place for a double length garage, 19m² store room on the ground floor and a 2 bed flat above with a bathroom, kitchen, dining room and lounge going out on to a 19mq patio with fantastic views. Full plans are available using an English speaking architect, builder / project manager as well as full costings; however once the structure is erected the plans can be adjusted to suit your own requirements.
