

4 slaapkamer Villa Te koop in Torrevieja, Alicante

1.995.000€

It would take pages to describe this matchless property from its two sets of electronic garden gates that slide open to reveal a 4 bedroom 4 en-suite bathroom family villa with the most divine private pool and gardens. Based on the outer fringe of La Manga Club, just a 4 minute drive from the centre of the Resort, this property boasts the extra benefit of being exempt from any community or club fees, whilst at the same time being close to all the facilities on offer. From a beautiful wide drive, access the villa to a broad wooden decked terrace that covers each side of this South facing property. This all encompassing terrace provides the perfect plateau from which to enjoy some of the prettiest and best designed gardens around, a winning and captivating mix of a typical English country estate, and simple Mediterranean magic, with the mystical beauty of Japanese touches. English style rose gardens compete for attention with small lakes, born out of magical waterfall features, interconnected by wooden bridges and white pebbled paths. Lush green lawns are interspersed by a never-ending variety of trees, bushes and shrubs. Manageable lemon and orange groves, give way to an apple orchard that drops down to a fantastic vegetable garden. Its a garden where you can wile away the hours pottering around in the prettiest of green houses or storing the produce in the wonderfully charming garden shed For those more energetic among us, a floodlit tennis court backs onto a padel/basketball court, where any match played can be enjoyed from a delightful, raised wooden gazebo. To cool down the pool is set within the wooden decking of the terrace at the front of the property. This gorgeous infinity pool with separate Jacuzzi zone enjoys fantastic views and surrounding sun terraces and outdoor furniture where a meal can be thoroughly enjoyed at any time of the day or night. Without doubt, this is a one in a million fantastic family villa, which hits and surpasses every single property requisite and one that needs to be viewed to be fully appreciated.
