

## Landa till salu i Els Poblets, Alicante

180.000€

Urban land to build immediately a stone's throw from the center of El Vergel!

Large corner plot in a prime location with mountain views. A special opportunity if you are looking for a fantastic property with 800 m<sup>2</sup> land or two individual houses. The motto here is to build when you want. Particularly noteworthy is the beautiful residential area close to all services and a greenway to cycle to Denia. Quiet and sunny, in front of a park and with views of Segaria. What else do you want.?!
