Spectacular beautiful homes. Spectacular beautiful homes.

Firstly because of its location and the incredible views of the sea and the mountains, and secondly because of its architecture.

A complex consisting of 11 unique and different houses. You won't know why, but when you enter, you will notice that it is your home, that you want to live there, that you need it, to be your home and that of your entire family.

All houses have 3 bedrooms and 4 bathrooms, a living room and a kitchen that you will not want to leave, several gardens and terraces that you can enjoy all year round. And the best: the swimming pool that surrounds the entire house and that makes it unique.
