EXCLUSIVE HOMES WITH SEA VIEWS ON THE COSTA DEL SOL Exclusive 2 and 3 bedroom homes, including ground floor apartments with private garden and penthouses with panoramic solarium, from where you can enjoy privileged views of the sea and the bay. A project inspired by the tranquillity and privacy of the Indonesian islands. Both its avant-garde homes and its complete communal areas are laid out to blend in with the surroundings. With the vegetation and landscape as a backdrop, it opens up to the spectacular views of the bay of Malaga, without renouncing the panoramic views that surround the complex, sheltered by the natural parks of the Sierra de Tejada and the Montes de Malaga. Large terraces will allow you to enjoy nature from any corner of your home and at any time of the year. A possibility that is extended in the communal areas, thanks to a full range of leisure, sports and relaxation facilities. Swimming in the communal swimming pool is like floating over the horizon. Situated on the hillside that crowns the development, its views extend unobstructed, both inland towards the coast. Rincón de la Victoria remains outside the hustle and bustle of the Costa del Sol, but close to everything you need: golf courses, quiet beaches, and all the necessary services. A scenic location that combines the best of the sea and the mountains, just 20 minutes from Malaga and its international airport. With more than 320 days of sunshine a year, and an average annual temperature of 20ºC, you will enjoy the true Mediterranean lifestyle.
