

8 sovrum Villa till salu i Ecija, Sevilla
495.000€

We present an impressive two-story house located in the historic center of Écija. With 8 bedrooms and 5 bathrooms, this property offers exceptional space for a residence or to start a business.

Located in a privileged location, this house offers you the opportunity to live in the charm of the old town of Écija. With a private garden and a swimming pool surrounded by ancient walls, you will enjoy an oasis of tranquility in the middle of the city.

This house has reception rooms that retain many original features, including a glass roof over the internal courtyard, which provides a unique light and welcoming atmosphere.

In addition, it has a garage that provides convenience for parking. With its spaciousness and strategic location, this property is ideal to convert into a business, whether it is a bed and breakfast, a boutique hotel or another venture. This is a unique opportunity to acquire a property with history and charm in the heart of Écija. Contact us today for more details and to schedule a showing!

Purchase costs, taxes, registration and notary fees are not included in the sale price.
