

## 5 sovrum Villa för långsiktig hyra i Alhaurin el Grande, Málaga

3.000€ p/m

This is a very stylish and extremely unique property located just on the outskirts of Alhaurin el Grande, with good access and within 20 minutes to Malaga Airport. The property has been built in a hexagon shape, with the lounge located in the middle of the house and all bedrooms of a corridor just outside. Each bedroom has fitted wardrobe, an en-suite bathroom and access to an individual terrace. There is an entrance lobby, a fully fitted kitchen/diner, laundry room and further guest bathroom. In the exterior, there is a free form infinity pool, brick-built barbecue/entertaining area, some lawn and unique stone tables and stairs. At the top of the house, there is a further pool with terraces from where there are 360° panoramic views. This is a lovely property, built to the highest specifications and if located on the coast, the rent would be three times as much! The photographs do not do this property justice and it must be seen to be appreciated. Available to rent now. One of the conditions the landlord asks is that the tenant must contract pool and garden maintenance services. Prefer no pets. Good property for a small B&B business.
