

Landa till salu i La Fuente, Almería

198.000€

Impressive Plot for Sale in La Fuente, Almería

We present you with an exciting opportunity to acquire a dream plot in the picturesque town of La Fuente, in the beautiful province of Almería. With a generous size of 1537 square meters, this plot offers an exceptional space to build the house of your dreams or carry out a unique investment project.

Outstanding Features:

Exceptional Location: Located in the heart of La Fuente, this plot enjoys a strategic location that combines the tranquility of the rural environment with the convenience of accessing all urban amenities. Enjoy the serenity of living in a quiet environment while maintaining easy access to nearby shops, restaurants, and services.

Spaciousness and Flexibility: With its generous 1,537 square meters, this plot offers ample possibilities to design and create your ideal space. Whether you dream of a spacious home surrounded by lush gardens, a refreshing pool, or even a personal vegetable garden, this parcel has the space to make it come true.

Panoramic Views: Imagine waking up every morning with panoramic views of the Almeria countryside and the natural beauty that surrounds it. The topography of the plot offers the opportunity to design a house that maximizes these views, creating an environment of tranquility and connection with nature.

Investment Potential: In addition to being an opportunity to build your ideal home, this plot also presents great investment potential. Almería is a growing tourist destination, and a well-located and thoughtfully designed property
