The city is a popular tourist destination, approximately 35 minutes' drive from the big city of Alicante and the airport. Torrevieja was originally a small fishing village, and is today one of Europe's largest salt producers, Torrevieja has previously been called the 'salt city', but in recent years the city has also received the name 'sports city', this because of the large sports arenas that have been built in recent years. As a result of this fantastic venture, Torrevieja became one of four host cities during the Women's Handball World Cup in 2021. When you live in Torrevieja, you are within a short walking distance of white, elongated sandy beaches with the 'blue flag' stamp, as an indication of, among other things, high water quality. In the immediate area and preferably 'right outside' the door, you will find a large selection of local shops, restaurants, cafes, shopping centres, green parks, the harbour and the promenade. If you are looking for an area with life all year round and a healthy microclimate with 320 sunny days a year, this could be something for you. #ref:KP4111
