This beautiful, authentic village house was built in 1985. It has always been lovingly treated and is therefore in perfect condition to move in immediately. The house is located in a quiet street in the center of the charming village of Gata de Gorgos. One enters the house in a spacious hall with on the left a staircase leading to the upper floor and on the right a dining room and a lounge. From the lounge we enter a corridor with on the right a kitchen with access to a small patio and at the end a bathroom. From the corridor, through a door we can also return immediately to the entrance hall, from here we take the stairs upstairs. Here we find a large, luxurious bathroom, two double bedrooms and a single bedroom. In addition, there is an extra room from where a staircase leaves to a storage room and the roof terrace. From the roof terrace there is also a view of Montgó and the nature reserve behind Gata de Gorgos. Gata de Gorgos is synonymous with crafts, gastronomy, walks and many other charms to be discovered.
