We present to you a new development of modern semi-detached townhouses in the town Pilar de la Horadada, located in the Costa Blanca South. The Blue Flag beach of Torre de la Horadada is just 5 minutes away by car. The city center, with all daily amenities, and the municipal sports center are within walking distance. This is the ideal location for permanent living or for holidays.

All properties have 3 bedrooms, 2 bathrooms and a private roof terrace. The living room and the open kitchen open onto the terrace. The highlight of the house is the large roof terrace where an outdoor kitchen and barbecue would certainly not be out of place. A perfect place to receive family and friends, under the pergola or to relax in the sun. All properties are pre-air-conditioned and have underfloor heating in the bathrooms, living room and kitchen.

The community offers a beautifully landscaped communal garden and a large communal swimming pool.

Pilar de la Horadada is located in the south of the province of Alicante, on the Costa Blanca. The complex is located in a residential area less than 10 min walk from the several beaches, restaurants, bus stations, supermarkets and with a good connection to N-332 road. It is just 45 minutes from Alicante airport.
