

Villa till salu i Coin, Málaga

292.000€

This beautiful finca offers over 25,000m² of land and offers a breathtaking views of the surrounding valleys and mountains. The finca is located outside of Coin in the direction of Guaro in a very idyllic location.

The finca is partially fenced and has several terraces where around 250-300 avocado trees have already been planted, which will bring in a good profit in 2026. This land is also ideal for keeping animals, as it also has some sections that are very flat.

The finca also has its own well and electricity connection. Since the finca is more than 25,000m² in size, it is even permitted to build something of 65m².

This finca is a dream and offers peace and harmony with nature. We would be happy to arrange a viewing with you so that you can get an idea of this beautiful land for yourself.
