We are pleased to present this lovely country house located in a small hamlet about 10 minutes' drive from Yecla, with open views over the countryside and at the end of a small road (so no passing cars).

The house has a large living / dining room with open plan fitted kitchen, with a large fireplace and air conditioning unit. Off this you have two double bedrooms, and a small hallway leads to the family bathroom with shower, and third double bedroom.

Outside is a large porch area, plus a second covered seating area, ideal for a shaded eating area, which overlooks the large 8x4 swimming pool which has been freshly painted and has new steps, new pump and filter system and new surrounds.

There is a summer kitchen room plus a BBQ, and a few steps down to the lower garden where there is a second seating or play area for children and is also planted with trees, there is also a rear access to this part of the garden.

To the front of the house is a carport for two cars and a private parking / turning area.

The house has been well maintained and freshly decorated. This is a lovely country house with great views and a tranquil setting, yet just 10 minutes away from the busy town of Yecla where you will find all your everyday essentials plus a hospital and six different supermarkets.
