REF 6343EX

We are proud to present an exceptionally located property in the peaceful flat area of San Isidro, an area known for its serenity and charm, as well as its proximity to recreational and leisure facilities.

It has the requested license from the town hall.

Meticulously designed by a registered architect, this property features a unique project covering a 106 m2 plot. The project can be modified to your liking.

The property is distinguished by a charming two-story house, whose architectural design perfectly combines functionality with style. The front and back patios offer outdoor spaces to enjoy the Mediterranean climate and create unforgettable moments with your loved ones.

This exquisite home is just a few steps from the La Jurada municipal pools, a perfect place to enjoy relaxing and fun moments with family and friends. Additionally, its strategic location ensures quick and convenient access to the highway, making it easy to travel to other areas of interest within and outside the city.

Besides its privileged location, this property offers the convenience of being close to renowned supermarkets, facilitating daily life and providing access to a wide range of high-quality services and products.

In summary, this property represents a unique opportunity for those seeking to combine the tranquility of living in San
