2 sovrum Radhus till salu i Algorfa, Alicante

150.000€

We are pleased to offer this very nice townhouse on Montemar. It is set inside a gated community with a communal pool.

The property benefits from 2 double bedrooms, a family bathroom and a separate cloakroom on the ground floor. The large, low maintenance tiled garden wraps around the house, and has ample space for entertaining and relaxing.

There is a good sized lounge diner with an American style, fully equipped kitchen.

There is an elevated terrace off the lounge that overlooks the garden, and a balcony off the master bedroom with spiral staircase up to a large solarium. There is an under build storage, perfect for storing garden furniture, beach equipment or golf clubs.

This house represents good value for money and is in a sought after location, walking to all amenities. The La Finca Golf resort is just a stroll away.
