

5 sovrum Radhus till salu i Priego de Cordoba, Córdoba

89.000€

This 228m² build 5 bedroom, 2 bathroom, two townhouses with large terraces and gardens are located in an elevated, central position in the heart of the peaceful and lovely village of Castil de Campos, in the province of Córdoba in Andalusia, Spain. You enter the first property into a tiled hallway with a bedroom on the right and a bright double, air conditioned bedroom to the left. Ahead leads into a lounge diner that also has air conditioning and off which is the good size country style kitchen, a ground floor fully tiled bathroom and an office area. The kitchen; lounge and office all have large double glazed windows making the best use of the property's elevated position giving wonderful far-reaching countryside views. A second entrance from the street leads to the lower ground floor level which has a number a rooms that could be converted into more living or entertainment spaces, you also have access out onto 2 spacious sun terraces, the lower of them having a brick built above ground pool and from where you access the garden areas that are also on two levels and include mature planting and fruit trees. A third entrance from the street has steps that lead up to a spacious storage and laundry area. Opposite the main property, across the safe pedestrianised street, is the second townhouse which has a reception room, then a ground floor bedroom on the right which has an ensuite shower room, not shown in the video, and stairs that take you to the first floor where you have a further double bedroom and a landing that leads to another bright double bedroom as well as having a door with access out onto the road behind the property. The two properties with a total generous town plot size of 601m² and with room to expand the living spaces, are on the market for 95,000 euros.
