

3 sovrum Villa till salu i Heredades, Alicante

359.900€

Discover the privilege of living in a modern and functional villa, where every detail has been carefully selected to offer comfort, privacy and a high-end residential experience in a peaceful and well-connected setting. This exclusive detached villa sits on a 210 m² plot and has a built area of 134 m². Its intelligent layout and quality finishes guarantee a comfortable and practical lifestyle, ideal for families and those seeking a relaxing retreat near the Mediterranean coast. This villa represents the ideal combination of contemporary design, functionality and well-being, making it the perfect choice for those who want to enjoy an exclusive home with a private pool and all the amenities in a privileged setting.

OUTDOOR AREAS Private 6 × 3 m swimming pool: A true oasis where you can cool off and enjoy the sunny climate all year round, perfect for family leisure and relaxation. Garden with automatic irrigation: Well-maintained green areas that bring freshness and beauty to the surroundings without any extra effort. Outdoor lighting: Outdoor areas enhanced both day and night, creating welcoming spaces to enjoy at any time.

INDOOR AREA Three bedrooms and three bathrooms: Spacious and bright rooms that guarantee privacy and comfort for all family members or guests. Open-plan living room-kitchen: A modern and functional space, ideal for social and family life, with direct access to outdoor areas. Fitted and equipped kitchen: Includes all necessary appliances, ready for use from day one. Separate laundry room: Makes organisation and everyday life easier, adding practicality to the home. High-quality interior lighting: Each room is carefully lit to create warm and comfortable environments. Zone air conditioning: An efficient system that allows you to regulate the temperature in each area of the house, ensuring comfort all year round.
