We present this wonderful ground-floor apartment, located in a gated residential complex with an independent entrance, ideal for those seeking comfort, accessibility and proximity to the sea. The front part of the property is large enough to park a car and, at the same time, set up a table to enjoy dinners outdoors.

Upon entering, on the left-hand side there is a fully equipped open-plan kitchen, with quality appliances and a breakfast bar. Afterwards, you access the spacious and bright living-dining room, cosy and welcoming, with porcelain flooring that provides elegance and easy maintenance. From here you can access the rear terrace, which offers direct connection to the communal areas of the residential complex.

The apartment is adapted for people with reduced mobility, as it is accessed directly from the street without architectural barriers. It has two bedrooms and two bathrooms (one en suite). The property features central air conditioning and ceiling fans, ensuring comfort in all seasons. It is sold furnished and ready to move into.

The communal areas include: two swimming pools, children's play areas, shared spaces and a bicycle parking area.

The north-south orientation allows you to enjoy the sun for much of the day or avoid it in the hottest hours.

The location is excellent: El Chamito Beach is only 350 metres away. In addition:
